Dear Friends and Neighbors:

Cancer! Just the mention of the word evokes waves of emotions ranging from disbelief, terror and fear to acceptance and hope.

Cancer has touched each of us in many ways. Some of us may have lost someone to this dreaded killer. However, the prospects have gotten better over the years. The increase in survivors is a direct result of many years of research by dedicated professionals and generous contributors.

The Russo Association is participating in an American Cancer Society event, the "**Relay for Life**". We have lost our fair share of friends and happily have members that are survivors.

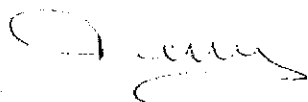

Team Russo is soliciting contributions for this year's fundraising event. Enclosed you will find information concerning your contribution. We are hoping that we may count on you to help make this year's event even more successful than last.

Please be generous with your donation. Let's all help to obliterate this disease!

Our sincerest gratitude,

Michael Russo
